

## IVINS CITY ARTS COMMISSION WORK SESSION

For: August 14, 2024

The Ivins City Arts Commission (ICAC) held a work session at 3:30 p.m. on August 14th, 2024 at Ivins City Hall immediately prior to the regularly scheduled monthly meeting. Daphne called the meeting to order and acknowledged that we had a quorum. All Commissioners were in attendance with Marilee arriving later.

Daphne distributed a contact list. Michele requested that things be sent to both the Ivins City and personal emails. Liz suggested using a read receipt. Everyone's City email accounts seem to be working, although some do not get notifications.

Daphne moderated a discussion on what the Arts Commission does. The following functions were discussed:

- ICAC is an ambassador for all of the arts to the community.
- ICAC advises City Council on public art in the community and assists in making decisions about public art. We recommend. They approve.
- ICAC sponsors the Art Exhibit for Heritage Days.
- ICAC makes recommendations regarding maintenance and clean-up of roundabouts.
- ICAC communicates about the arts to the public, directly and through social media.
- ICAC runs the Art on Loan Program.
- ICAC administers the RAP Program.
- ICAC works on fundraising for public art in the City.
- ICAC spearheads the Arts Corridor Project.

Five specific goals were defined in the Master Plan in 2017 and can be found in the Addendum.

Daphne would like to define each person's roles and responsibilities moving forward.
